Unique Payment Reference: 1011210827

Please quote this reference when you make your bank transfer. This will allow us to identify your payment more easily.

If you have submitted your order, but no longer wish to pay by bank transfer, then please email [pac@welcometoleo.com](mailto:pac@welcometoleo.com) and request your order to be cancelled. Again, we will need to know your unique payment reference, username and name to cancel your order.

#### T&Cs:

Product activation code will not be issued until payment has been received.

£8.05 will be added to the cost of the purchase to cover bank transfer and admin fees.

The unique reference supplied with this order is only relevant to this order. If the order is cancelled and a new order is raised a new reference will be provided.

If payment is not received within 7 days the order will be cancelled.

This is the process on the Leo web site completed.

- 1) Log into you bank site and create a new payment.
- 2) Ensure you use the Unique Payment reference given by the Leo system as the Description on the transfer. DO NOT USE username, product name date of purchase or anything else.... just the reference number which will be something like 1732612181.
- 3) Send the funds.

This, in theory is all you need to do and assuming that the reference field is completed correctly, and the bank shows it the payment can be allocate against the order.

As additional help the member might want to send a copy of the bank transfer document as provided by their bank to [PAC@welcometoleo.com](mailto:PAC@welcometoleo.com) stating the reference number in the subject line followed by the user name, then in the body of the email confirmation for example ₹16,815.00 has been paid by Mr Brown for a Leo Starter pack on behalf of an order place by BASABI MAITRA.

(Sometimes the payment is not made by the same person who placed the order so this information will help to match the payment to Leo and the order if the reference number does not come through for some reason.
